## TIBET INFORMATION OFFICE

Office of His Holiness the Dalai Lama  
FOR AUSTRALIA, NEW ZEALAND AND SOUTH EAST ASIA

### Message

I am pleased to know that over a hundred young Tibetans from different regions of Australia are taking part in the upcoming 10th Tibetan Unity (Chigdril) Games to be held in Sydney from 15th to 18th April 2022. Best of luck to everyone competing and congratulations on being part of this incredible youth participation event.

At this critical time of Tibet's history, it is very essential for every Tibetan to remain united and to keep the Tibetan spirit strong and alive. So, I would like to urge all the Tibetan living in Australia to stand together in solidarity and commit themselves to work together to fulfil the dreams and aspirations of Tibetans inside Tibet and in exile. With the older generation gradually phasing out, it is very important that the younger generation of Tibet should gear up for future responsibilities.

Taking this opportunity, I would like to thank all our Australian friends and supporters who have been supporting the Tibetan cause for a long time. His Holiness The Dalai Lama always says that friends of Tibet are not simply pro-Tibet, but pro-justice, because the cause of Tibet is a just cause based on truth and reality.

I deeply appreciate that this 10th Tibetan youth unity game is dedicated to world peace. Let us make this world a better place by considering all human beings as one family and caring more for the happiness of others.

Finally, my sincere gratitude to all the organisations and businesses who have supported this event. Without their support, such an event would not be possible.

Once again, my sincere congratulations and best wishes for the success of this wonderful event and hope everyone will enjoy it.

Karma Singey  
Representative
