TERMS AND CONDITIONS

Payment of the registration fee is online by credit card and a receipt/confirmation will be automatically emailed to you. Please bring your receipt to the seminar for proof of registration in case it is needed. An administration fee of \$50 applies to all cancellations made more than one month before the event. Registration once paid cannot be cancelled one month or less before the event, regardless of personal circumstances. Registration can be transferred to another delegate only if STARTTS is informed of the name change. One-day registrations are not available. The concession price is for full-time students and pensioners only and a photocopy or pdf of a valid concession card must be forwarded to the STARTTS training team upon registration. Online registration is not available for the group price (please fill out the form). Group price is for groups of 5 or more people; must be paid together in one payment; the details of each person in the group must be filled out on the registration form. Invoicing is only available for some government departments upon request to the STARTTS training team. Registrations will not be confirmed until full payment is received, and full payment must be finalised before the deadline to receive the early bird price and before the start of the event to be allowed to attend. The closing dates for registrations are final and non-negotiable. The STARTTS Training Team can be contacted at stts-training@health.nsw.gov.au or (02) 9646 6700.
