PERIOD OF APPRAISAL: Performance will be assessed within 6 months of commencement and a 6 month probationary/qualifying period will also apply.

Background to STARTTS

STARTTS is a state-wide service funded by the NSW Department of Health and Commonwealth Department of Health to provide high quality assessment, treatment and rehabilitation services to people living in NSW who have experienced organised violence or trauma associated with the refugee experience. STARTTS is an Affiliated Health Organisation (AHO), a Non-Government Organisation whose services are deemed to be part of the NSW public health system.

STARTTS’ service provision philosophy is predicated on a bio-psycho-social framework that incorporates a large range of clinical and psycho-social interventions informed by the latest advances in neuroscience and evidence based practice in relevant fields. As such, STARTTS provides a broad range of services including assessment; counselling for all age groups; psychiatric assessment and interventions; family therapy; group interventions; body-focused interventions such as massage, physiotherapy, acupuncture and pain management groups; support groups; programs for children and youth; and various strategies to increase the capacity of support networks and refugee communities to sustain their members.

The focus of the STARTTS’ approach is on building capacity and empowering people and communities to take control over their own lives, using a strengths-based approach and building on individual, family, community and cultural strengths.

Background to the Program Area of the position

STARTTS utilises a systemic approach to assisting people, families and communities recover from refugee trauma and rebuild their lives in Australia, by integrating clinical and community development approaches, with interventions such as professional development and learning, policy work and advocacy to foster a positive recovery environment to facilitate refugee resettlement. STARTTS’ training program resources and trains workers, students and volunteers from STARTTS, health, community and other service providers, educational institutions, and community and volunteer groups to work more effectively with people from refugee backgrounds, and others suffering from trauma, grief, depression and other related issues. STARTTS provides some of these trainings for free, and others for a fee which helps raise vital funds to cover some of the costs of running such an important professional development, learning and support program.
